VOICE OVER

Do you have high cholesterol,  
arthritis, heart disease, irritable  
bowel syndrome, sciatica, high  
thyroid, low thyroid, hyperactive  
ovaries, restless leg syndrome, and  
gout? Does it feel like you spend  
your whole day just taking pills?  
Wouldn't you like to be able to  
take just one pill for all of your  
ailments so you could have more me  
time? Well, now you can.

CUT TO:

INT. KITCHEN - LATER

Kate attempts to swallow a bowling ball sized pill then and chips away at it with a chisel.

VOICE OVER

With new GLOBOLEX you take just one  
pill a day, every single day.
